If you need help finding an insurance carrier, please contact us at [RobinHoodVendors@gmail.com](mailto:RobinHoodVendors@gmail.com).

### **Permits**

### **Check-in and Set-up Times**

Vendors must check in Friday, July 15. You will be given the location for check-in prior to the Festival.

**Food vendors ONLY** may check in between **Noon and 1 pm;** **all other vendors** between **1 pm and 4 pm.**

You will receive your space assignment at check-in, if not previously issued. Please arrive as early as you are able within this time frame, especially if you need extra time to set up your space. **All vendors must check-in by 4 pm on Friday** or risk losing their space. Vendors must be set up and ready by the Festival opening at 5 pm Friday. You must also be in your booth and open by 9 am on Saturday.

### **Vehicles**

Vendors will be allowed to bring their vehicles into the Festival area for **30 minutes** on Friday during set-up times, to allow for unloading, and then they **must** be moved to the parking area. This will facilitate easier unloading for others. After moving your vehicle out of the area, you may then set up your booth. Vehicles may be in the Festival area only during these times: Friday 1pm- 4:30pm for setup (noon start for food vendors); Saturday 7am - 8:30am; and Saturday after 8pm.

### **BOOTH BREAKDOWN**

**You must keep your booth open until at least 8 pm both evenings. NO VEHICLES will be allowed inside the Festival area after 4:30 pm Friday, or on Saturday between 8:30 am and 8:00 pm. On Saturday evening, please break down your booth and have it ready to load BEFORE bringing a vehicle into the Festival area.** Security and/or SRHFA personnel will be on-site to assist with safe transport for vehicles as they enter and exit the Festival area. If you are able to remain open later, please do so, as the Festival will remain open until 10 pm on Saturday. **Festival attendees will be walking in the area until 10 pm - please respect their rights to move about the streets, as the streets are officially closed to through traffic for the duration of the Festival. Also, be respectful of vendors who are staying open, and do not block access to their spaces when loading your vehicles.**

## 2021 Sherwood Robin Hood Festival Vendor Covenants (continued)

### Exhibit Space

Vendors may not solicit outside their rented booth area.

### Cleanliness, Housekeeping and Conduct

All refuse must be disposed of daily in the food vendor dumpster and/or the trash receptacles stationed throughout the Festival. **Please do not use the trash receptacles of the local residents or merchants!** Booths and space (front, back and surrounding area) must be kept free of garbage and debris and must always be neat and clean. All vendors must provide a container for their own garbage. The vendor will be considered in violation of the housekeeping rules if SRHFA must dispose of a vendor's debris or perform housekeeping duties.

No dumping of contaminated water (bleach water, grease water, old coffee) is allowed into storm drains or on the grass. Vendors should use the gray water tanks provided. Grease must be placed in a lidded container next to the dumpster. There will be a fresh water source available.

**The Robin Hood Festival does not allow smoking or vaping in vendor spaces. These must be done only across the railroad tracks.** Although SRHFA does not have a written dress code, it expects everyone associated with this event to be neat, clean and have good personal hygiene. **SRHFA encourages vendors to dress in Robin Hood era garb. Having fun with the medieval theme will attract even more attendees to your booth.** Good citizenship with customers and other vendors is a must. The SRHFA reserves the right to shut down a booth or request dismissal of anyone whom they believe is not a credit to the event.

### Beverages

Vendors will not be allowed to sell any alcoholic beverages. In an effort to be fair to both non-profit and for-profit vendors, minimum drink prices will be set at \$.60 for 12oz., \$.75 for 16oz., \$.90 for 20oz., and \$1.00 for 32oz. Non-food vendors may sell or give away water in their booth space.

### Electricity

SRHFA will provide electricity to vendors who request electricity on their application – most, but not all, of the vendor locations have electricity available. In mid-July, sunset is around 9pm with twilight until around 9:30, and most of the Festival area is well lit by street lights, so vendors who plan to leave before dark (but not before 8pm!) may not need lights. Vendors must provide their own heavy-duty extension cords (minimum of 100 feet).

### Music

No audible music or sound device is allowed in a booth. If you are selling music or other recordings, you need to provide headphones for listening. Any live performance must be coordinated with the Festival's Entertainment committee.

### Interpretation or Modifications

In matters of interpretation and/or modification to the existing rules, procedure, or policies, the decision of the SRHFA President shall be final.
