

## **Special Announcement**

### **March 19, 2020**

The Sherwood Robin Hood Festival Association is committed to the health and safety of our community. With the current effects of Coronavirus (COVID-19) and emphasis on social distancing, the Sherwood Robin Hood Festival is canceling our inaugural Madrigal Feast planned for the coronation of the 2020 Maid Marian. Though we are disappointed in not being able to celebrate this new addition to the Sherwood Robin Hood Festival activities, please look for it next year.

All Sherwood Robin Hood Festival Association meetings will be canceled for March and April. If you need to get in touch with a Sherwood Robin Hood Festival Board member, please email [robinhoodfestival@gmail.com](mailto:robinhoodfestival@gmail.com).

The Sherwood Robin Hood Festival Association is still planning on our Sherwood Robin Hood Festival the 3<sup>rd</sup> weekend of July (July 17 and 18) and International Archery Tournament (July 18 and 19). We are hopeful that this deadly virus will be behind us all and we can all come together and celebrate as a community in July. We are still taking all sponsor and vendor applications for the festival, but if we should have to cancel the festival due to these trying times, we will send back all checks collected.

Please check back to our website for updates as we receive new information about COVID-19.

Ron Groeger Jr.  
Sherwood Robin Hood Festival Association President
